

Roll away Soiled linen from Guest or Banquet Areas with the Genesis S-Series carts!

Informs your Guests that Sanitation Procedures are Paramount at Your Property!

- Sort soiled linen on guest floor, i.e. terry from flat goods, or in banquet areas table linen from napkins or colors
- Options of different sort bags, choose 4, 3, 2, or 1 bag - it is your choice!
- Bags are color coded, waterproof and standard with EZ unloading zipper!
- Eliminates the unsightly build up of soiled linen on maids carts on in guest hall ways
- Allows more space on the maids cart for clean linen and supplies
- Lower Glass Rack, assures that clean glasses are exchanged with used

Save \$\$\$ in Laundry Operation Costs:

- Soiled is returned faster to the laundry and keeps it working at 100% capacity
- Exchange System—houseman provides empty S-Series cart to the guest floor and removes and returns full soiled cart to the laundry for processing
- Reduces labor costs! Eliminated sorting in the laundry—S-Series is transferred directly to soiled staging area or washers

Creates worker Safety:

- Minimal handling of soiled linen and waste. Keeps germs (like staph) from infecting employees or contaminating clean linen
- **Ergonomic!** Prevents stress and injuries to staff; Cart is perfect height to push without bending, aluminum construction is light weight to push and large wheels make it fully mobile
- Eliminates bending or lifting of heavy objects! Unzip bags and soiled linen or liner falls out

Hotels, Resorts, Spas & Fitness Centers

See the back for specifications, productivity information, size and options.

Productivity Increases:

- Room Staff focuses on cleaning procedures and soiled is handled by houseman—reduces labor time and costs
- Banquets clean up fast! Staff wheels carts to tables and sorts linens—returns sort cart full to laundry area

Go Green!

By adding a color bag—you can also sort recyclables or general waste at the same time on this cart—now that is efficient!
