Bags opening easily!

standard features

- Anodized aluminum construction.
- Bags contain zippers on front that allow soiled material to be removed easily from cart without lifting. (2 on S-1) Disposable liners fit inside vinyl bags.
- Bags are waterproof and lift out for cleaning with a variety of colors to keep sorting simple.
- Carts roll on large wheels and casters that are attached to a solid aluminum base.
- Full perimeter and rolling bumpers—protect walls and furnishings—can be adjusted to meet baseboards.
- Improves operational recycling.

3. choose logos for bags

4. select a frame color

5. select a base color

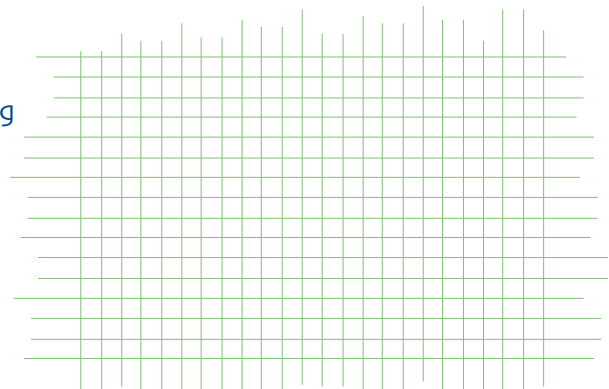

options (call for pricing)

- Custom cart size, custom bag design or have your property's logo positioned on bags
- Hinged lids to cover top of cart with cut-outs for paper, aluminum cans, bottles & other
- Add to any model a lower storage drawer on glides, great for storing additional liners or supplies
- ★ Elegantly encase any S- Series cart model on 3 sides of the cart with one of our décor exterior base colors. In doing this the back side of cart remains open with zippers facing out for unloading (faces wall during use)

customize it!
